Dear Griffin,

Thanks so much for your excellent article in The Washington Post on the Snepp case and for your most helpful testimony on the charters. I really appreciate this support.

I am sorry that I did not get to see you during that visit to Washington for the testimony. I had every intention of attending the cocktail party that was given for you but was thrown off schedule at the very last minute. Hope to see you at some other visit in the future.

In the meantime, again thanks.

Yours,

STANSFIELD TURNER

The Honorable Griffin Bell
